Drop-off/pick-up lane

Our drop-off/pick-up lane can be accessed off Kurtz Lane and is for one-way traffic only. If you choose to use this option for dropping off or picking up, please make sure that you do not leave your vehicle unattended in the **no parking** lane. Upon dismissal, all students being picked up via the drop-off/pick-up lane will be stationed in the grass area just West of the main entrance. Other options for drop-off or pick-up include; the district office parking lot located directly West of the Daly campus (we have a clearly marked cross-walk that you and your child/children can use both in the morning and afternoon) and the numerous parking spots directly west of our grass fields on Daly Avenue. Please do not stop on Daly Ave. to let your children out. We encourage you and your child/children to work out whatever routine best serves your family.
