

Fees

- ◆ **\$75** per week
- ◆ **\$30** per week if you qualify for reduced lunch through the school lunch program
- ◆ **Free** if you qualify for free lunch through the school lunch program
- ◆ **Scholarships** are available so please contact us if you have concerns regarding cost.

Fees are required by the start of each week

Cancellation Policy: If you do not notify the program at least 1 week in advance that your child will not be attending you will still be responsible for the fees for that week. All fees are non-refundable.

Fees: Go to pay for our field trips, transportation, and activity expenses!

**“I am but a firefly
caught in his jar and
when he looks at me, I
can’t help but glow.”
-Kellie Elmore**

**“One benefit of
Summer was that each
day we had more light
to read by.”
-Jeannette Walls**

*...bridging kids with community for 11
years...*

The Keystone Enrichment Program supports and nurtures our youth by developing their unique strengths to reach their highest potential. Our students attain this through academic enriching activities, mentoring relationships, family support, and exploration of our “backyard” community.

Eligibility

We are accepting applications from students in the Hamilton School District and homeschool students in the Hamilton community. Spots are open to currently enrolled Keystone students first. Students are chosen using the following criteria:

1. behavior at keystone
2. attendance
3. behavior at school
4. availability of slots

Schedule

JUNE 27TH-30TH

ART WEEK:

Enjoy a week with local artist ClareAnn, as we explore the many different ways to express your creativity through the beauty of art! Visit local art galleries, make model rockets and even get your dance on.

JULY 5TH-8TH

NATURE WEEK:

Come and explore with us this beautiful valley we call home. From the Mountains to the river we will enjoy the nature that surrounds us! Scavenger Hunts, Hiking and swimming at Lake Como.

JULY 11TH-14TH

WATER WEEK:

Lets get wet! It's time to enjoy the sun as we figure out as many ways possible to stay wet. Water rockets, slip and slides water balloons and Splash Montana!

JULY 18TH-21ST

SPORTS ADVENTURE:

Not a jock? No problem. Join us as we learn and play new and exciting games that are fitting for anyone. Bocce ball, frisbee golf, archery and a trip to the H.U.B.

Daily Activities

The day will be structured but allow for flexibility and exploration of student interest, and time spent with friends.

The morning begins at 8:30 with an academic focus in the subjects areas of Reading, Math, Science and Social Studies. All academic activities will also follow the theme for that week.

Lunch will consist of time for conversation and a meal that is sent from home.

The afternoons enrichment activities begin at 12:30 and will consist of field trips, games and time spent enjoying all the Bitterroot has to offer.

We will always return to the Keystone site by 5:00 to allow for student pick-up. Remember there is no transportation to or from home.
