

PM School Bus Routes

The following is the 2016-2017 PM school bus route Quick Guide.

- The PM bus assignment and the stop locations are generally the same as the AM route schedule, any exceptions to this are listed below under the appropriate school listing.
- Please remember we will not drop-off students at any place that is not their home or previously designated location without a signed note from a parent or the school secretaries.
- For the younger K–3 students whose home or daycare is not in view of the bus driver at the stop; an adult must be at the stop to receive the student(s). Parents or guardians; please give the bus driver a wave; we will not leave your young student(s) off the bus alone.
- Parents; it is very important that your children know their address and phone number, in the least; write them both on their back-pack.
